Your support makes a difference. **We need you for the Raising the Standard Foundation High School Seniors' Recognition Program.** Plans are now underway for this year's program scheduled for this November. Because of generous donors like you, we have helped more than 500 local seniors attend college for the past 46 years. We want to ask for your help.

Many of our seniors are first-generation college students. **Your scholarship dollars will allow them to get through those critical first years in college.** These students need your support, both financially and with in-kind items.

There are three ways you can give to this year's program:

1. Donate on our website [www.raisingthestandardfoundation.com](http://www.raisingthestandardfoundation.com)
2. Donate on Eventbrite by clicking the link [here](#).
3. Send a check to:

About Raising the Standard Foundation

Raising the Standard Foundation empowers, enhances, and exposes traditionally under-represented youth in Fort Worth and surrounding areas through educational opportunities, mentorship and scholarships. For the past 46 years, the High School Seniors' Recognition program has recognized seniors and their significant achievements before they head to college. Join us this November and learn more about how we celebrate seniors with scholarships, gifts, and encouragement for completing their high school journeys.
